

135 CFM Long Pull Duct Cool System

DUCT-COOL-1PT

SKU: 607 UPC: 656747099175

Middle Atlantic Products DUCT-COOL-1PT 135 CFM Long Pull Duct Cool System at the heart of the system is a unique state-of-the-art fan that is both quiet and powerful. It has the ability to effectively pull heated air from up to 25 feet away, far from the user. Standard unit includes a built-in thermostat preset to turn on at 88°F and off at 85°F so the system only runs when needed. Flexible system installs quickly, easily and can exhaust to any convenient remote location.

Features:

- Long pull vent system quietly manages heat in confined areas
- Rated 135CFM at 35.7 dB
- Thermostatic control automatically activates at 88F and turns off at 85F
- High static pressure blower maintains airflow even through 25 feet of duct
- Simple installation with flexible positioning options

Specifications:

Dimensions & Measurements

- CFM: 135
- Depth: 11.88 in (30.18 cm)
- Height: 10.4 in (26.42 cm)
- Width: 10 in (25.4 cm)
- Volts AC: 120V

Characteristics & Features

- Component Type: Active

Certifications & Warranties

- Certifications: Greenguard, UL Listed
- UL Standards Tested: 507
