

Wireless Touchscreen Keypad

TS2-E

SKU: 115519 UPC: 09386314942

The 2GIG TS2 Keypad is a full color wireless touch screen keypad that offers access to security and connected devices from any location in the home.

Just like the TS1, the TS2 Keypad provides the convenience as a secondary keypad to features on your 2GIG system making it easy for arming and disarming, receiving audible alerts and chimes, as well as controlling door locks, lighting, and thermostats.

Using the easy-to-use interface as found on the 2GIG GC2e Panel, the newly designed TS2 delivers seamless connectivity to all of your security and smart home controls.

Features

- Full color easy-to-use touchscreen interface
- One-touch Home and Emergency navigation
- Wireless connectivity for flawless bi-directional communication with the main panel
