

IR/RF Remote Control with 2.4" Color LCD (433MHz)

MX-990i

SKU: 17726 UPC: 656787388857

Versatile programmable handheld remote provides single-room IR control – TV, A/V components, cable and satellite boxes. It is ideal for home theater installations and A/V control in kitchens and bedrooms. When used with a compatible Complete Control base station, it controls A/V components through walls and cabinet doors, even from outside - no need to point the remote or be in the same room.

Features

- Handheld remote with brilliant 2.4" color LCD – displays up to eight buttons per screen
- Ergonomic design with backlit hard button keypad and on-board speaker
- Delivers single-room, one-way control of IR devices
- Controls A/V through walls and cabinet doors, or from outside
- Lithium-ion rechargeable battery with tabletop charging cradle
- MX-990i features 433 MHz frequency for international and highly-populated markets
