

## 30 Space SRSR Series Slide Out Rotating Rail System Rack

SRSR-4-30

SKU: 12015    UPC: 656747069277

**Middle Atlantic Products SRSR-4-30 4 Slide-Out Rotating Rack Frame (14 RU)** is ideal for easy rear access to equipment connections in millwork, cabinets and flush in-wall installations. With a 19 useable depth, the SRSR system extends and rotates 90° in either direction, making it ideal for smaller systems.

### Features:

- Removable rack frame allows in-shop integration and on-site installation of equipment
- Locks in the extended position for simplified equipment integration
- Rotating equipment bay locks in place at 0°, 60° and 90° for easy installation and servicing
- Self-centering mounting base makes it simple to align system within cabinet opening
- Rear cable support works in conjunction with rear rackrail for effective cable management
- Standard front and rear 10-32 threaded rackrail with marked spaces

### Specifications:
