Nest Cam Weather Proof Power Cable -
10M

GA02278-US

SKU: 63366 UPC: 193575008417

For continuous power and 24/7 video recording outside, add a weatherproof cable to your Nest Camera. If you're installing Nest Cam outside, you have the option to hardwire it with the weatherproof cable (available in 5 m and 10 m) no charging required. Wiring your camera also gives you access to additional Nest Aware features.

Features

- Power Adapter to Nest Cam magnetic connector
- Length: 32.8' (10m)

- Cable Length: 32.8 feet
- Color: Snow
