Wireless Flood Detector

WS4985

SKU: 19793 UPC: 80009664

The DSC Wireless Flood Detector senses the presence of water leaks or flooding in basements, laundry rooms, bathrooms, kitchens and more. Water damage claims can increase future insurance rates.

Detector senses water with a wire probe and transmits the signal to the monitoring station.

Feature

- Based on WS4945 wireless door/window contact
- Water probe through a (1.8 m)6 foot-wire
- Fully supervised
- Built-in reed switch
- Normally closed external contact input
- 1 lithium battery included
- Case and wall tamper
- End-of-line resistor
- 4 year battery life
