Introducing the Elura S6.5LCRIW Blue Label Series by Sonance 6.5" Zero Bezel In-Wall LCR Speaker, the ultimate solution for premium audio performance and seamless integration in your home theater setup. Created through a collaboration between Elura and Sonance, these speakers deliver exceptional sound quality and a visually stunning aesthetic.

The Elura S6.5LCRIW Blue Label Series speakers are meticulously designed to serve as Left, Center, and Right channels, offering a comprehensive audio experience. With their zero bezel design, these speakers blend seamlessly into your walls, providing a sleek and elegant appearance that enhances the ambiance of your home theater.

Equipped with powerful dual 6.5" CarbonX woofers, a dedicated 1" silk dome tweeter, and an additional midrange driver, the Elura S6.5LCRIW speakers deliver precise and immersive sound reproduction. Experience crisp dialogue, detailed midrange, and impactful bass, allowing you to hear every nuance and enjoy an authentic cinematic experience from the comfort of your own home.

Blue Label is the collaborative effort of Elura and Sonance (Dana Innovations), the inventor of the in-wall speaker, to create a series of premium architectural speakers. Blue Label provides realistic, true-to-recording sound in every room of your home, regardless if you are listening to music or watching a movie.
