

RACK

12 Space Enclosed Wall-Mounted Rack

ER12W

SKU: 160771 UPC: 819932012292

Introducing the RACK ER12W 12 Space Enclosed Wall-Mounted Rack, the perfect solution for maximizing space efficiency and securely housing equipment. Designed with functionality and durability in mind, this wall-mounted rack offers a compact and organized storage solution for audio, video, and networking gear.

The ER12W features a 12-space enclosed design, providing ample room to accommodate a variety of equipment, including servers, switches, patch panels, and more. Its compact size makes it ideal for environments where floor space is limited, such as small studios, offices, or residential settings.

Crafted from high-quality materials, the ER12W is built to last. Its sturdy steel construction ensures durability and protection for your valuable equipment. The enclosed design offers added security, preventing unauthorized access and protecting your gear from dust and debris.
