Google Nest Wifi Add-On Point - White

GA00667-US

SKU: 30222    UPC: 193575001586

Google Nest Wifi Add-On Point in White. Expand an existing Nest Wifi wireless network with this Google Nest Wifi point. Compatible with the Nest Wifi router or Google Wifi router, the Nest Wifi point adds up to 1600 square feet of whole-home coverage. It's equipped with AC1200 speeds and support for dual-band (2.4/5 GHz) 2x2 MU-MIMO for up to 4 simultaneous upload/download streams for busy homes. A speaker is built into the Nest Wifi point, giving it the ability to also act like a smart speaker with integrated Google Assistant.
