

ELURA

Pre-Construction Brackets for 6.5" In-Ceiling

6.5BRKT

SKU: UPC: 819932012643

Introducing the Elura 6.5BRKT Pre-Construction Brackets, the perfect solution for ensuring a seamless and hassle-free installation of your 6.5" in-ceiling or in-wall speakers. These pre-construction brackets are designed to simplify the installation process, providing a sturdy and secure mounting platform for your speakers during construction or renovation projects.

The Elura 6.5BRKT Pre-Construction Brackets are crafted with high-quality materials, ensuring durability and reliability. These brackets are specifically designed to accommodate 6.5" speakers, providing a precise fit and eliminating the need for additional modifications or adjustments. With these brackets, you can confidently plan and prepare your installation, knowing that your speakers will fit seamlessly into the designated spaces.

Sold in a pair.
