

Chime Pro (2nd Gen)

B07WML2XTD

SKU: 29878 UPC: 842861110302

Ring Chime Pro brings you three-in-one: flexibility, reliability and convenience. Hear notifications anywhere in your home. Extend your WiFi signal to boost the network for all your compatible Ring Video Doorbells and Cams. And enjoy a built-in automatic nightlight for added peace of mind. Customize the sound you hear with classic and seasonal tones or designate a quiet time with Do Not Disturb Mode. Add Chime Pro throughout your home to avoid Wi-Fi dead spots for compatible Ring devices and never miss a visitor or alert. Plus, the sleek design blends right into any room.
