

BRKT

X-Large Heavy Duty Articulating Mount

ARM3780HD

SKU: 160618 UPC: 819932010762

The BRKT Brand ARM3780HD Heavy Duty Extra Large Full Motion Mount is a low profile wall mount for panels up to 85", up to 150 lbs. The Extra Large mounting plate allows for installation on 16" or 24" stud walls. The Extra Large Full Motion Mount has been designed for quick, easy, and accurate installation (all necessary hardware included). This mount allows you to have your flat panel TV either flat against the wall (2.4" low profile), tilted down for glare control or optimum viewing angle, or pulled out from the wall (30" extension) and angled towards a separate viewing area. Due to it's unique single-arm design, this mount allows even large TV's to be corner mounted. Also, the centering feature on the wall plate allows a full 8" of lateral shift. Cable management on both the front and rear arm supports and with post installation leveling feature will save time on your installations.

Features

- Fits most 37"-85" flat panels
- Supports up to 150 lbs
- Tilt: +15° to -5°
- Mounting profile: 2.4"
- Extension from wall: 30"
- Max VESA compliance: 700 x 500
- Brass bushing for smooth adjustments
- Cable management shroud
