Outdoor Speaker Pair by Sonance - White

OUTDRWW1

SKU: 159980    UPC: 878269007661

Experience great sound in the great outdoors. Great sound for the great outdoors. Designed to withstand the elements, these outdoor speakers are optimized for Sonos Amp to help the listener enjoy rich sound outside the home. Powerful Sound. Custom-tailored acoustic components enhance fidelity for a natural listening experience, even at high volumes. Weatherproof Design. These outdoor speakers are engineered to withstand humidity, water, salt spray, heat, UV rays, and freezing temperatures. Power More with Amp. Power up to three pairs of Sonos by Sonance Architectural speakers with a single Sonos Amp for even more sound coverage. The Exceptional Sonos Experience. When paired with Amp, these speakers unlock all the benefits of the Sonos system, including an easy-to-use app that works with all the streaming services, AirPlay control, regular software updates that improve listening, and the ability to add additional Sonos speakers and components to the setup at any time.
