

## Recessed TV Box with Angled Openings

TVB713

SKU: 29827    UPC: 18997097132

Arlington's plastic recessed combination power and low voltage TV BOX™ offers the secure, easy way to mount flatscreen TVs flush against a wall.

Our larger TVB713 has two angled outlet boxes that keep plugs behind the wall surface – and allow for the use of the new close-clearance TV mounting hardware. Now you really can mount a TV flush against a wall

TVB713 has power and low voltage openings for video, audio and other datacom connections. It also includes a separate, interchangeable tray that you can use to hide the digital converter box, supplied by some cable companies, behind the TV

### Features

- Non-metallic, paintable trim plate
- For new or old work
  - Positioning tabs for 1/2" wall thickness assure accurate placement on stud in new construction
  - For retrofit, use enclosure (without the trim plate) as a template for the wall opening
- Optional cover available for TVB713
