Tilting Mount for 32" - 85" Panels

VMPL50A-B1

SKU: 20196 UPC: 793795521965

The SANUS VMPL50A is a tilting wall mount for 32" – 85" flat-panel TVs. SANUS' Virtual Axis™ tilting system provides easy adjustment of viewing angle with just the touch of a finger. ProSet™ post-installation height and leveling adjustments ensure TVs are always perfectly positioned after hanging. Its solid heavy-gauge steel construction offers a sleek, high-tech look while providing strength and durability. Adjustable TV brackets offer lateral shift ability to allow perfect TV placement, even with off-center wall studs. TV is positioned just 1.8" / 4.57 cm from the wall for a clean, low-profile appearance. Universal mounting pattern fits virtually any LCD or plasma TV up to 150 lbs / 68.18 kg. Mount now fits TVs 32" – 85", and all current VMPL50A models have been tested for compatibility with the updated size range.
