

Pro Series 1080P PoE Dome Camera with Varifocal Lens

ADC-VC847PF

SKU: 129121 UPC: 85001077324

The VC847PF is a PoE dome camera with a motorized varifocal lens, offering greater installation flexibility in indoor and outdoor environments and allowing user to remotely adjust how wide or narrow they want the camera's field of view without any loss of quality. The camera comes with a dark gray cover that can be optionally attached to change the appearance of the camera for aesthetic purposes. As part of the commercial Pro Series line, the camera enables intelligent analytics for object detection and business activity tracking. In addition to cloud clip storage, the VC847PF supports 24/7 recording to an optional onboard microSD card and/or the Commercial-Grade Stream Video Recorder (CSV126).
