

SONOS

Five Wireless Smart Speaker - Black

FIVE1US1BLK

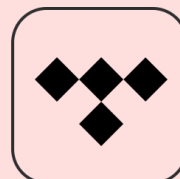

SKU: 159964 UPC: 878269009894

The high-fidelity speaker for superior sound.

Experience vividly clear, room-filling sound for music streaming, vinyl, and more. Enjoy control with the app and Apple AirPlay 2.

Features

- The latest technology
 - Increased memory and processing power provide improved performance
- Enhanced with Trueplay
 - Trueplay puts the speaker-tuning capability of the pros in the palm of the user's hands, customizing the sound of the speaker to the unique acoustics of the room.
- Smart stereo sound
 - When positioned horizontally, Five automatically separates the left and right channels for impressive stereo sound.
 - Pair two speakers and each smartly adjusts to mono for more detailed stereo separation and an even wider soundstage.
- Connect a turntable, CD player, projector, or other device directly to Five using the 3.5 mm jack.
- Six Class-D digital amplifiers perfectly tuned to the speaker's acoustic architecture.
- Three midwoofers ensure faithful playback of vocal frequencies in addition to rich bass without distortion, even at high volumes.
- Three tweeters, including one center tweeter and two precisely angled side tweeters, create a crisp high-frequency response.
- Phased array creates a wide stereo soundstage that directs sound to the left, right, and center
