

IW Sub Reference Fully Enclosed In-Wall Subwoofer

IW SUB REFERENCE

SKU: 151171 UPC: 93207010538

The IWSub Reference In-Wall is a booming bass-driven powerhouse that will disappear in your room. It has a non-resonate sealed medite enclosure and an eye-catching paintable bezel and grille. Inside the completely self-enclosed in-wall sub is the technical brainpower derived from the SuperCube Subwoofers. It includes a special shallow-depth long excursion active 13" driver tied with a 13" pressure driven infrasonic radiator. Combined these features result in tight musical excellence. The IWSub Reference In-Wall installation is straightforward and favors both newly constructed and existing walls.
