

Alarm Door & Window Sensor (2nd Gen) - 6 Pack

B07ZPLN8R3

SKU: 33102 UPC: 842861111439

Expand your Ring Alarm system to secure each door and window in your home, and get alerts as soon as they open. Ring Alarm Contact Sensors mount to any door or window frame in your home for easy, DIY installation. Connect them to your Ring Alarm Base Station and receive mobile alerts from the Ring App so you'll always be the first to know when something's ajar.
