

Translator & Z-Wave Connect+ Expansion Card

RE934ZT

SKU: 110685 UPC: 85774400843

Important Notice: This product is special order only. It is non-cancellable and non-refundable.

RE934ZT Translator & Z-Wave Expansion Card adds home automation capabilities to the system enabling control of 3rd party Z-Wave devices. It also includes a wireless sensor translator for the takeover of existing sensors in the home.

Features

- Enables the system to create a new, or join an existing, Z-Wave network
- Provides communication with Z-Wave devices enabling a broad range of home automation features
- Allows Connect+ to receive Interlogix (formerly GE), Honeywell, 2GIG, Napco, or DSC wireless sensors reducing takeover cost and installation time
- Dual antennas for reliable sensor range
