

## Caseta Outdoor Plug In Switch Box - Black

PD-15OUT-BL

SKU: 58589    UPC: 78427628481

Lutron PD-15OUT-BL Caseta Outdoor Plug In Switch Box is a wireless smart plug controls outdoor loads, both directly and remotely when paired with either Pico remote controls or a Lutron Caseta Smart Bridge, providing a system that delivers convenience and ease of installation. Built to withstand severe weather, season after season. A solid core construction protects the internal electronics. Uses Lutron-patented Clear Connect Type A RF Technology which enables wireless communication with Pico remote controls, Caseta motion sensors, and the Lutron Smart Bridge and Smart Bridge PRO. It is ideal for smart control of landscape and string lighting, holiday lights and inflatables, and some motors and pumps.

### Features:

- For control of outdoor lights and other loads
