

ELURA

Red Label Triple 10" 500-Watt Powered Subwoofer

TRI-SUBR10

SKU: 161074 UPC: 819932012278

Introducing the Elura TRI-SUBR10 Red Label Triple 10" 500-Watt Powered Subwoofer, the pinnacle of low-frequency reproduction and bass performance. Designed for the most demanding audio enthusiasts and home theater setups, this subwoofer delivers thunderous bass and immersive sound that brings your entertainment to life.

The Elura TRI-SUBR10 features three high-performance 10" subwoofers powered by a built-in 500-watt amplifier, providing a massive amount of power and deep bass extension. Experience the full impact of your music, movies, and games as this subwoofer fills your room with intense, room-shaking bass. The TRI-SUBR10 takes your audio experience to new depths, ensuring every low-frequency detail is faithfully reproduced.

Crafted with precision and engineering excellence, the TRI-SUBR10 is designed to impress both in terms of performance and aesthetics. Its sleek and modern design seamlessly integrates into your living space, while its robust construction guarantees long-lasting durability and reliability. The subwoofer's elegant and understated appearance enhances the overall visual appeal of your room, complementing any home decor.
