

U-Bracket for Control 28-1 and 28-1L

MTC-28UB-1

SKU: 132970 UPC: 691991005251

The single, U-Bracket for Control 28-1 Speakers from JBL is designed to securely mount the surface-mount loudspeaker to walls, decks, and ceilings and provides swiveling capability. The accessory bracket includes rubber and friction washers, pressure trim-fitting plastic, and M6 bolts and flat washers.
