

Decora Mount Temperature Display

TEMP-DEC

SKU: 12105 UPC: 656747072222

Important Notice: This item is final sale and non-returnable.

This unit monitors internal enclosure temperature, provides an LED readout and fits into the Decora style opening at the top of Middle Atlantic racks. Features adjustable over-temperature setting with local and remote notification. 9 cord with temperature probe and plug-in power supply included. Optional jumper supplies power to additional 12VDC Decora units using a single power source. The temperature display fits DWR, SR, ISRK and TOR Series enclosures.

The Decora Mount Temperature Display from Middle Atlantic Products features:

- Mounts in Decora style opening
- Highly visible three-digit green LED display
- Adjustable overtemp setting with local and remote notification
- Includes temperature sensor with 5-foot cord for flexible placement
- Optional jumper supplies power to additional 12V DC units
- Manufacturer SKU: TEMP-DEC
