

Thermostatic Fan Controller, 4 Fans

FC-4-1CA

SKU: 10127 UPC: 656747190728

Proportional speed thermostatic fan control extends both equipment and fan life and reduces service calls by varying the fan speed of up to four fans based on temperature. The fan control includes 3 user selectable temperature ranges, a local on/off switch, status LEDs, and a temperature probe with a 5 ft. wire. This control is designed to work specifically with AC fans that are offered by Middle Atlantic Products, or other fans with similar specifications. Max fan load is 1 Amp at 120 volts.

Features:

- Mounts to rackrail brackets or any flat surface
- Has four controlled outlets for fans
- Proportional speed thermostatic control extends equipment and fan life
- Can control up to four fans based on the temperature in the enclosure
- Features three temperature ranges and proportional/full on switch

General Info:	
Finish:	Black Powder Coat
UL Standards Tested:	244A & 508
Component Type:	active
Listing Agencies/Third Party Information:	
RoHS:	Yes
Greenguard:	Yes
Dimensions:	
Depth US:	2.678 In
Height US:	8.45 In
Width US:	4 In
Primary Package Weight US:	3.9
Technical Information:	
Volts:	120
