Premium Full Motion TV Wall Mount for up to 100" TVs

VXF730-B2

SKU: 25203 UPC: 79379553393

The Advanced Full-Motion TV Mount combines aesthetics with robust functionality inspired by modern TVs and high-end kitchen appliances. Its brushed metal exterior conceals a solid steel frame for maximum support, guaranteeing your TV's security. With a lower profile depth than traditional mounts, it brings TVs closer to the wall for a streamlined appearance. Although this mount is currently rated for TVs up to 95", we have confirmed compatibility with key models up to 100" (see below to ensure compatible models) .

Features

- Stylish brushed metal exterior seamlessly blends with the TV and décor.
- FluidMotion™ design provides unparalleled smoothness. Effortlessly extend, tilt and swivel your TV regardless of its weight or thickness.
- Steady Set™ ensures your TV will stay exactly where you want it – no drifting or unwanted movement.
- Ultra-strong, solid steel frame provides maximum support ensuring your TV will stay securely in place.
- Places TV just 2.46" from the wall for a streamlined look that complements today's sleek TVs.
- Up to 15° of tilt and 55° of swivel left to right for a great picture no matter where you watch.
- Integrated cable management helps conceal unsightly power and HDMI cables.
- This mount is rigorously tested for safety and performance, UL-listed and features a 10-year limited warranty.
- Simple and intuitive design makes installation easy. In just 30 minutes, your TV will be mounted, and all hardware is included.
