Nest Learning Thermostat (3rd Gen) -  
Stainless Steel

T3008US

SKU: 14391    UPC: 854448003884

Nest 3rd Generation Smart Learning Thermostat: Take control of your home's heating and cooling without lifting a finger with this thermostat, which learns your habits and adjusts to automatically regulate your home's temperature based on your schedule. The Nest Leaf feature alerts you when you choose a temperature that's energy efficient.

The free Nest app for Android and iOS lets you set-up your thermostat, see its status, change its settings, and more. Once your account is set-up, the app allows you to access your thermostat wherever Internet access is available. Furthermore, if you add more Nest products to your home, they can automatically work together and can all be controlled from the Nest app. You can set the Google Nest Learning Thermostat to Home or Away from the app, or Nest will set itself to Auto-Away if you forget. It uses built-in sensors to make sure you're not home. Additionally, you can keep your home from getting stuffy by scheduling the fan to turn on for a few minutes every hour or at the same time every day

Features

- Auto-schedule - no more confusing programming - it learns the temperatures you like and programs itself
- Auto-away - the Nest thermostat automatically turns itself down when you're away to avoid heating or cooling an empty home
- Remote control - connect it to Wi-Fi to change the temperature from your phone, tablet or laptop
- Energy history - see when heating and cooling were on and what affected your energy use
- Nest leaf - you'll see the leaf when you choose a temperature that saves energy; it guides you in the right direction
- Safety alerts - get an alert on your phone or tablet if your home gets dangerously hot or cold
- Early-on - Nest learns how your home warms up and keeps an eye on the weather to get you the temperature you want when you want it
- Sunblock - notices when Nest is heating up in direct sunlight and will automatically adjust so it still reads and sets the right temperature.
- Compatible with 95% of heating and cooling systems
- Farsight lights up to show you the temperature, weather, or time
- 24-Bit Color LCD (2.08" Diameter)
- 480 x 480 Resolution
- Dimensions: 3.3" H x 3.3" W x 1.21" D
- Weight: 8.6 oz.

Screen	24-bit color LCD 480 x 480 resolution at 229 pixel per In ch (PPI) 2.08 In (5.3 cm) diameter
Warranty	Two-year limited warranty
Battery	Built- In rechargeable lithium-ion battery
Power Consumption	Less than 1 kWh/month
Wireless	Wi-Fi 802.11b/g/n @ 2.4GHz, 5GHz 802.15.4 @ 2.4GHz @ 2.4GHz Bluetooth Low Energy (BLE)
Bandwidth	Less than 50MB/month upload and 10MB/month download (for software updates ma In ly)

Sensors	Temperature Humidity Far-field activity Near-field activity Ambient light
Languages	English French Spanish Dutch
<b>Display Size</b>	
Diameter	3.3 In (8.4 cm)
Height	1.06 In (2.69 cm)
<b>Base Size:</b>	
Diameter	3 In (7.6 cm)
Height	0.42 In (1.1 cm)
<b>Assembled Size:</b>	
Diameter	3.3 In (8.4 cm)
Height	1.21 In (3.08 cm)
Display Weight	7.25 oz (205.4 g)
Base Weight	1.35 oz (38.3 g)
Assembled Weight (Display + Base)	8.6 oz (243.7 g)
