

Double Pico Pedestal - White

L-PED2-WH

SKU: 111 UPC: 027557765923

The wireless control table stand is designed to hold 2 Pico wireless control devices. The modern stand design offers a slight incline for ease of operation and it may be placed on any flat surface. Use the control stand to hold your Pico remotes so you can control your homes lighting from any tabletop. The Lutron Maestro wireless Pico controller holder is made in white to match any decor. The Lutron Pico wireless control is sold separately.

This product features:

- Holds two Pico wireless remote controls
- Mobile, can be placed on any surface
- Features a classic white finish
- For use with all Pico controllers
