## 6MP HDay/Night Darkfighte Outdoor Turret Camera with 2.8mm

DS-2CD2365G1-I 2.8mm

SKU: 19614    UPC: 842571121605

Watch over your property with the DS-2CD2365G1-I 6MP Outdoor Network Turret Camera with Night Vision from Hikvision. Equipped with a 6MP CMOS sensor and a 2.8mm fixed lens, the camera captures video at resolutions up to 3072 x 2048 at 20 fps in a 99 x 61 degree field of view. The camera has EXIR 2.0 IR LEDs for night vision with an effective range of up to 100 and uses a built-in IR cut filter to switch from color to B&W for day/night functionality.

Designed for outdoor use, the camera is housed in an IP67-rated weather-resistant enclosure. PoE technology simplifies installation by enabling you to run just one cable for both data and power, while an integrated microSD card slot allows for onboard storage of footage. ONVIF compliance ensures compatibility with a wide range of surveillance equipment.

### Features:

- Color video down to 0.016 lux at f/1.6 with AGC on
- EXIR 2.0 IR technology for night vision up to 100
- IR cut filter for day/night functionality
- 2.8mm fixed lens
- H.265+, H.265, H.264+, and H.264 video compression for efficient storage and bandwidth use
- Three simultaneous streams
- Camera pivots from 0 to 360 degree horizontally and from 0 to 75 degree vertically
- 0 to 360 degree rotation
- 120 dB wide dynamic range
- Automatic gain control
- Backlight compensation
- 3D digital noise reduction
- Video analytics include face detection, line crossing detection, intrusion detection, object removal detection, unattended baggage detection, and scene change detection
- microSD card slot for edge storage supports up to 128GB (microSD card available separately)
- Region of interest (ROI)
- PoE technology for easy, clutter-free installation
- IP67-rated weather resistance
- FCC, CE, UL, and, cSA certified
- ONVIF Profiles S and G compliant
