

GC2e eSeries Wireless Security Kit

GC2E-345-K31

SKU: 27236 UPC: 9386314439

The GC2e panel features our new eSeries encryption technology for enhanced security and a larger, easy-to-use 5 capacitive touch screen. GC2e also features our best-in-class 2-way voice for ultimate peace of mind, and an updated, sleek industrial design.

The kit includes the most popular add-on products homeowners want: A PIR motion detector and 3 compact door-window sensors, all with built-in eSeries encryption.

Kit Contents:

- [1] 2GIG-GC2e-345 GC3 Panel (English)
- [3] 2GIG-DW10e-345 Door/Window Contact
- [1] 2GIG-PIR1e-345 Passive Infrared Motion Detector
