

Single Pico Pedestal - White

L-PED1-WH

SKU: 110 UPC: 027557765916

Keep your Lutron Pico wireless controller handy with the Lutron L-PED1 wireless control table stand. The modern design allows you to control your homes lights from any tabletop. Leave the stand on your nightstand to control your bedroom lights without getting out of bed or keep one near the door to turn lights off before you go. The stand is designed for use with Lutron MRF2-3BRL-L RF controls. The holder is angled for ease of use and offers a secure location for your Lutron wireless remotes.

This product features:

- Holds one Pico wireless remote control
- Mobile, can be placed on any surface
- Features a classic white finish
- Works with all Pico controllers
- Manufacturer SKU: L-PED1-WH
