CASTORS4

SKU: 160770 UPC: 819932011820

Introducing the RACK CASTORS4 4 Fine Floor Castors with Locks, the perfect accessory for adding mobility and convenience to your rack system. Designed with durability and ease of use in mind, these fine floor castors provide a reliable solution for effortlessly moving your rack while offering the stability and security of built-in locks.

The RACK CASTORS4 set includes four high-quality castors, allowing you to transform your stationary rack into a mobile unit. Each castor is designed with precision and craftsmanship to ensure smooth and reliable movement across various surfaces. Whether you need to reposition your rack for maintenance, installation, or convenience, these castors offer the flexibility you require. These fine floor castors are equipped with built-in locks, providing an additional level of stability and security.
