Alarm Retrofit Alarm Kit

B07Y926SS8

SKU: 26401   UPC: 842861110210

Have a wired alarm system? Make it smart with Ring Retrofit Alarm Kit, a wired-to-wireless bridge that conveniently connects your existing hardwired contact sensors to your Ring Alarm system.

Connect up to 8 wired contact sensor zones and allow them to communicate wirelessly to the Ring Alarm Base Station.

- *Requires Ring Alarm Base Station.
- *Professional installation recommended (but not required)
