Control ProLink.z Control

11-500005-12

SKU: 66440    UPC: 850180005094

Exceptionally easy to program and personalize, the Pro24.z is the ultimate Pro Control processor, delivering comprehensive smart control over your environment when partnered with the Pro24.z or iPro.8 remotes. Control expands to Z-wave devices when attached to a Pro.zwi Z-Wave gateway. The Pro24.z is compatible with the ProPanel App for control from iOS devices.

## Features

- Six integrated IR routing ports
- Two voltage-sensing inputs
- Integrated 2.4 GHz Zigbee® antenna
- Ethernet port for network control
- Two 2-Way RS-232 ports for advanced bi-directional control
- PC programmable with the wizard based Pro Control Studio software
- Communicates with the Pro24.z and iPro.8 remotes
- Integrates seamlessly with tablets, smartphones and PCs with an activated ProPanel app

## PROCESSOR FEATURES:
