Organize patch cords and maintain a required bend radius. Available in a wide variety of styles to suit any application. The D-Ring provides a creative solution for adding individual D-Rings to a rack or on a wall using appropriate fasteners. For optimal performance, do not exceed a 50% fill rate when passing cables through cable rings. Constructed from 16-gauge steel, and finished in a durable black powder coat.

The Horizontal Cable Manager from Middle Atlantic Products features:

- "D-ring" style on front, fast and easy to route cables
- No end rings
- Welded steel construction
- Durable black powder coat finish
- Manufacturer SKU: HCM-1D
