Universal Dinky Link Standard Range IR Kit

DL85K

SKU: 12792 UPC: 427773183608

These small IR receivers have been designed for mounting in very small spaces. They may be mounted under shelf edges, cabinet ledges, in wall speakers, etc. anywhere an inconspicuous appearance is desired. The high sensitivity of these receivers allows placement behind speaker grilles and still receive IR commands up to 80 feet away*.

Feature

- Works with all types of cable boxes, satellite boxes, remotes and TVs
- Low profile easy to hide
- Proprietary ambient noise-suppression technology for reliable operation in any lighting environment including compact fluorescents
- IR modulation frequency bandwidth: 25-60kHz
- Reception range: up to 80 ft/24 m*
- Color-coded connectors for fast, easy installation

Kit includes:

- One DL85 IR receiver
- One Model 789-44 connecting block that connects one IR receiver to 4 IR emitter ports and has enough power to drive up to 4 dual emitters
- One 12VDC regulated power supply
- 4 Blink-IR Designer emitters
- One Instruction manual
- One Trim kit to match white, silver and black AV components
