## 8MP Outdoor IR Fixed Network Turret - with 2.8mm

DS-2CD2385G1-I 2.8mm

SKU: 32034    UPC: 842571121520

Watch over your property with the DS-2CD2385G1-I 8MP Outdoor Network Turret Camera with Night Vision from Hikvision. Equipped with an 8MP CMOS sensor and a 2.8mm fixed lens, the camera captures video at resolutions up to 3840 x 2160 at 20 fps in a 102 x 55 degree field of view. The camera has an IR cut filter and EXIR 2.0 IR LEDs for night vision with an effective range of up to 100. Image enhancement features including a 120 dB wide dynamic range and backlight compensation enable you to capture clear images in varying lighting conditions.

Designed for easy setup, this camera uses PoE technology so you can run just one cable for both data and power. Moreover, it has a microSD card slot for edge storage and is rated IP67 for weather resistance. ONVIF compliance ensures compatibility with a wide range of surveillance equipment.

### Features:

- Color images down to 0.016 lux at f/1.6 with AGC on
- EXIR 2.0 IR technology for night vision up to 100
- IR cut filter for day and night vision
- H.265+, H.265, H.264+, and H.264 video compression for efficient storage and bandwidth use
- Camera pivots from 0 to 360 degree horizontally and from 0 to 75 degree vertically
- 0 to 360 degree rotation
- 120 dB wide dynamic range
- Automatic gain control
- Backlight compensation
- 3D digital noise reduction
- microSD card slot for edge storage supports up to 128GB (microSD card available separately)
- PoE technology for easy, clutter-free installation
- IP67 rated for outdoor use
- FCC, CE, and UL certified
