

PANAMAX

BlueBOLT 2-Outlet

MD2-ZB

SKU: 12741 UPC: 5061600886

Bring BlueBOLT power control and energy management to any standard 120V outlet.

BlueBolt Control with ZigBee Communication

ZigBee Wireless Communications for remote outlet control & energy monitoring via BlueBOLT (Requires BB-ZB1 GATEWAY sold separately).

Off-site Reboot

Hard-reboot problem electronics remotely.

Scheduled Conservation and Alerts

Schedule conservation commands to eliminate wasted power and lower utility bills.

Exclusive Protect or Disconnect Circuitry

Safeguards equipment against all surges. In the event of a catastrophic surge such as lightning it completely disconnects AC power to connected equipment.

Instant Override Buttons

Push-button power switches instantly power outlets on or off (overrides BlueBOLT power commands).

Noise Filtration Circuit

EMI/RFI Filtration Circuitry for Clean Unimpeded Power.

\$100 000 Limited Connected Equipment Protection Policy

Panamax will protect your equipment or we will repair or replace up to \$100 000!

Three Year Product Warranty

The surge protector shall be free of any defects in design materials or workmanship and Panamax will repair or replace any defective unit.

Features:

- Remotely monitor and control equipment and appliance loads.
- Push-button power switches instantly power outlets on or off.
- EMI/RFI Filtration Circuitry for Clean Unimpeded Power.
- Protect-or-Disconnect Circuitry.
- Diagnostic Lights (LED): Outlet 1 & 2 Status Demand Response/Network and Wiring Fault.
- Removable paintable cover ensures seamless fit with any decor.
- Thin Profile - Only 1.5" inches deep.

- Convenient display feature; turn cover around to hide diagnostic lights.
