

Pan Head Phillips Self Drilling Screw 6 X
1/2"

TEKPH612

SKU: 12530 UPC: 781002173700

Important Notice: This item is final sale and non-returnable.

Self drilling phillips pan head screws drill a hole and tap threads in one operation. The drilling operation removes metal and can be used with heavier gauge metals. Length is determined from the base of the fastener head.
