

HIKVISION®

5MP WDR Network Dome Camera | 2.8-12mm Varifocal

DS-2CD2755FWD-IZS

SKU: 17464 UPC: 842571109986

The DS-2CD2755FWD-IZS 5MP Outdoor Network Dome Camera from Hikvision has a 5MP 1/2.9" progressive scan CMOS sensor to capture 2944 x 1656 resolution video at 20 fps. The 2.8-12mm varifocal lens features an 88-29° horizontal field of view. EXIR technology delivers up to 100' of night vision. This camera has an audio input and output for two-way audio support. Audio is mono. Integrated PoE technology allows data and power to be transmitted over one cable. An onboard memory slot supports microSD cards up to 128GB. microSD cards are available separately.

This device is ONVIF-compliant for Profiles S and G, making it compatible with a wide range of surveillance products. Additionally, this device's metal housing is IP67- and IK10-rated for outdoor use in areas at risk of vandalism.
