

Alarm Pro Security Kit, 8-Piece w/ Built-in eero WiFi 6 Router

B08HSTJPM5

SKU: 110836 UPC: 840080508863

Ring Alarm Pro Security Kit , 8 Piece - combines whole-home protection, a fast eero Wi-Fi 6 router, and network security in one. Protect 4 windows or doors and add motion detection to 1 hallway or room. Enjoy wifi coverage of up to 1500 sq. ft. Plus, keep your connected devices online if the primary internet goes out with 24/7 Backup Internet, an exclusive Ring Protect Pro subscription feature, sold separately. Control your home security system from the Ring App and manage your wifi and network security settings in the eero App.

Features

- Alarm Pro Base Station secures your home like never before with a built-in eero Wi-Fi 6 router for improved performance and connectivity for your compatible security devices.
- Can replace existing Alarm Base Station to add eero Wi-Fi 6 connectivity.
- Blanket your home in fast, reliable wifi with built-in eero Wi-Fi 6 router that covers 1,500 sq. ft.
- Connects to all Ring Alarm components.
- Easy DIY installation. Just plug in Alarm Pro, then connect and pair your compatible Ring security devices in the Ring App. Set up eero wifi network in the eero app.
- Table top or wall mounted
- Optional 24/7 professional monitoring for Ring Alarm with a Ring Protect Pro subscription, sold separately.
- Internal battery backup. Get additional battery life to stay on and online with Ring Power Packs, sold separately.
- Expand your wifi coverage with eero 6 Extenders, sold separately.
- Works with Ring Video Doorbells and Cameras, sold separately.

Kit Includes

- **Alarm Pro Base Station** - The central hub of your home's advanced home security system and fast, secure wifi. Can replace existing Ring Alarm Base Station to add eero Wi-Fi 6 connectivity.
- **Keypad** - Easily arm and disarm your Alarm Pro system from inside your home.
- **Contact Sensors (4)** - Secure each door and window in your home, and get alerts as soon as they open
- **Motion Detector** - Place one in each room or hallway of your home to know when motion is detected indoors.
- **Range Extender** - Extend the Z-Wave signal from your Alarm Pro Base Station to all of your compatible alarm system components.
