

## IMAGE1 Alarm.com Image Sensor for 2GIG

IMAGE1

SKU: 23047    UPC: 817082010533

2GIG Technologies is pleased to announce the availability of the new 2GIG Image Sensor powered by Alarm.com. The Image Sensor is an exciting product that combines the capabilities of a wireless PIR (passive infrared) motion sensor and a digital still camera. With the Image Sensor you can offer traditional motion detection combined with visual confirmation of why the motion sensor was activated.

### Features:

- Combines Wireless PIR Motion Sensor and Digital Still Camera
- ETL Certified for UL 639 Wireless Connectivity
- Configurable PIR Including Pet Immunity Resolution, 320x240 Color Camera
- All 2Gig product requires a 2Gig GO!Control panel and a subscription to alarm.com for full functionality
- This item is only compatible with 2gig systems and will not work on others. This item also requires a monthly service plan through a reputable security alarm dealer in order to take advantage of all its functions
