

## 3.1.2ch Soundbar w/ Wireless Dolby Atmos (2022)

HW-S801B/ZA

SKU: 118305    UPC: 887277000000

An ultra-slim design featuring a 39.9mm profile with a compact subwoofer. The power to make surround sound come to life. Samsung Soundbar supports Dolby Atmos and DTS Virtual:X, which recreates sound to bring it to new heights and take your audio to 3D. Designed ultra slim with 3 channels, 1 subwoofer channel, and even 2 up-firing channels, that helps create a complete audio environment for a captivating entertainment experience. This Soundbar syncs with your Samsung TV, together creating immersive sound. It combines and enhances sound through the soundbar's front, side, and up-firing speakers as well as the TV's speakers, giving you a new level of acoustic immersion so you can experience content like never before.
