QLED 4K & The Frame One Invisible
Connection Cable - 49'

VG-SOCR15/ZA

SKU: 58545 UPC: 887276343662

The Samsung One Invisible Connection cable minimizes clutter and uses a single, near-invisible cable to connect the QLED TV to external devices, including the power source. The result is a seamless surface that hides cables and integrates beautifully into the home.
