The SmartMount Articulating Wall Mount series offers the most versatile installation features and mounting options. The I-Shaped Adaptor plates innovative design helps avoid blocking connections on the back of the display. Vertical adjustment ability allows for post-installation leveling, making it easier than ever to find the perfect display position. With SA746PU, extend the display up to 22.22" (564mm) or fully-retract it to just 3.46" (88mm) from the wall for the perfect viewing position. The display can now simply be installed by a single person with the Hook-and-Hang system. One-Touch tilt technology offers a +15/-5 vertical tilt movement for the ideal viewing angle. Integrated cable management protects, contains and conceals cables for a clean installation.
