Features:

- NoFade Protective Paint
- Weatherproof design surpasses military standard 883 for corrosion resistance
- Designed for extreme environmental conditions and both UV exposure and water resistance
- Proprietary 4-layer fiberglass construction makes the cabinet acoustically inert and completely weatherproof
- Artistically crafted cabinet with shaped MicroPerf aluminum grilles looks natural and realistic
- 6-1/2" injection-molded TCC (talc carbon and ceramic) filled polypropylene cone is extremely rigid to reduce breakup and lower distortion
- Butyl rubber cone surround damps resonance and provides exceptional durability
- Cone Forward design positions drivers close to the grille and ensures intelligible midrange
- 1" Tri-laminate Teteron domes with fluid-cooling and ultra-wide dispersion for clear and detailed high-frequencies
