Add some light to your outdoor security with Spotlight Cam Pro. Our most advanced battery-powered spotlight camera features 3D Motion Detection, Audio+, and full 1080p HDR video to help provide pro-level security at key outdoor spaces.

Put it anywhere, adjust the viewing angle with the included mount, and consider the area covered. Stay powered with the included rechargeable battery that swaps in and out without messing with your setup.

Features

Help protect your home with the advanced features of Spotlight Cam Pro - like HDR, advanced 3D Motion Detection, Bird's Eye View and Dual-Band wifi (2.4 or 5.0 GHz). Get a clear picture with features like 1080p HD video, a 140° field of view and Color Night Vision, let you see everything happening at home, no matter what time it is. Adjustable and programmable lighting helps you secure your home and keep dark walkways and corners well-lit. Stay connected in the Ring app with features like Two-Way Talk with Audio+ and motion notifications allow you to check on your home no matter where you are. Sound the security siren on suspicious activity. Save and share video and photos with an optional Ring Protect (subscription sold separately). For added peace of mind, pair with Alexa to help you keep an eye on your home.
