

Edge Remote Keypad w/ 7" LCD Touch Screen & Camera

EDG-RK

SKU: 58384

The 2GIG Edge Remote Keypad is a touchscreen keypad for the 2GIG Edge Security System. It maintains the same easy-to-use intuitive interface as the 2GIG Edge itself. The wireless touchscreen keypad pairs across a WIFI network. The Remote Keypad (2GIG-EDG-RK) is a wall-mounted, full-color, touch screen interface that provides all of the same easy-to-use keypad functions available on the Control Panel. It is designed for indoor use only and gives users the ability to arm and disarm the system, see the status of sensor zones, and control Smart Home devices

Features

- Built-in camera recognizes faces and can disarm the system as well as activate personalized home control features
- With Bluetooth capability, easily disarm the system without touching the panel
- On-board camera takes arm/disarm photos adding additional security and peace of mind knowing user codes are used by authorized user
- Videos and pictures can play on screen, making it easy to show how-to training videos or turn the panel into a photo display
- Cameras and doorbell cameras work with the panel, with up to 8 different camera feeds viewable directly from the panel . View 4 camera feeds at a time
