

## AirCam-Dome Megapixel CoMPact Dome IP

AIRCAM-DOME

SKU: 1266

### **Important Notice: This item is final sale and non-returnable.**

The airCam Dome is a small, slightly tinted dome IP camera designed to easily and discretely install into ceilings. It features a built-in microphone, 30fps, 1MP/HDTV 720p resolution, a 1.96mm/F2.9 lens, and is powered over Ethernet.

The airCam line of H.264 megapixel cameras combines advanced industrial design and powerful performance with market-leading cost-effectiveness. There are a variety of cameras available for optimizing application-specific deployments.
