Spotlight Cam Pro Plug-In - Black

B09DRCLHQT

SKU: 135010 UPC: 840268998356

Set up a surveillance system at home with this black Ring Spotlight Cam Pro plug-in security camera. The two LED spotlights enable clear vision at night, while the two-way talk feature lets you speak with guests. This Ring Spotlight Cam Pro plug-in security camera boasts a 1080p resolution for candid recordings and Wi-Fi connectivity to wirelessly pair with your smartphone.

Features

- Connects to your Wi-Fi network: Offers convenience and simple setup.
- Works with Amazon Alexa: Lets you connect your Ring camera to Alexa and then enable announcements to be alerted when motion is detected.
- Fully customizable motion zones: Tells you if the source of motion is a person or a car and how many are in view.
- Color Night vision: Allows you to monitor your home or business even in dim lighting.
- Plug-in connection: Plugs into standard power outlets for nonstop power.
- Two-way audio with noise cancellation: Lets you hear what happens around the camera and talk back through your phone no matter where you are.
- Full HD resolution: Its vivid 1080p resolution allows you to see small details on your screen.
- Free Ring app: You can control the lights, trigger the siren, zoom in to focus on your most important areas and more.
- Live view: Stream live video from your home to your mobile device.
- Ring Protect Plan: Users can review what they missed and share videos with friends, family, neighbors and more.
- Weather-resistant design: The durable construction withstands wind and rain for versatile outdoor monitoring.
- Siren alarm: Ensures peace of mind by preventing and deterring unwanted intrusions.
